150N CREWFIT TWIN CHAMBER 2010 LIFEJACKET

The 150N CREWFIT TWIN CHAMBER 2010 is designed to meet the SOLAS 2010 regulations according to MSC 81(70) as amended by MSC 200(80) and MSC 207(81). The 150N CREWFIT TWIN CHAMBER 2010 outperforms this requirement, providing increased performance in the most demanding environments. Improved body angle, mouth freeboard and face plane angles make the 150N CREWFIT TWIN CHAMBER 2010 even safer at sea. Together with improved rotating times, the new unique inflation chamber is designed to provide unrivalled comfort and support.

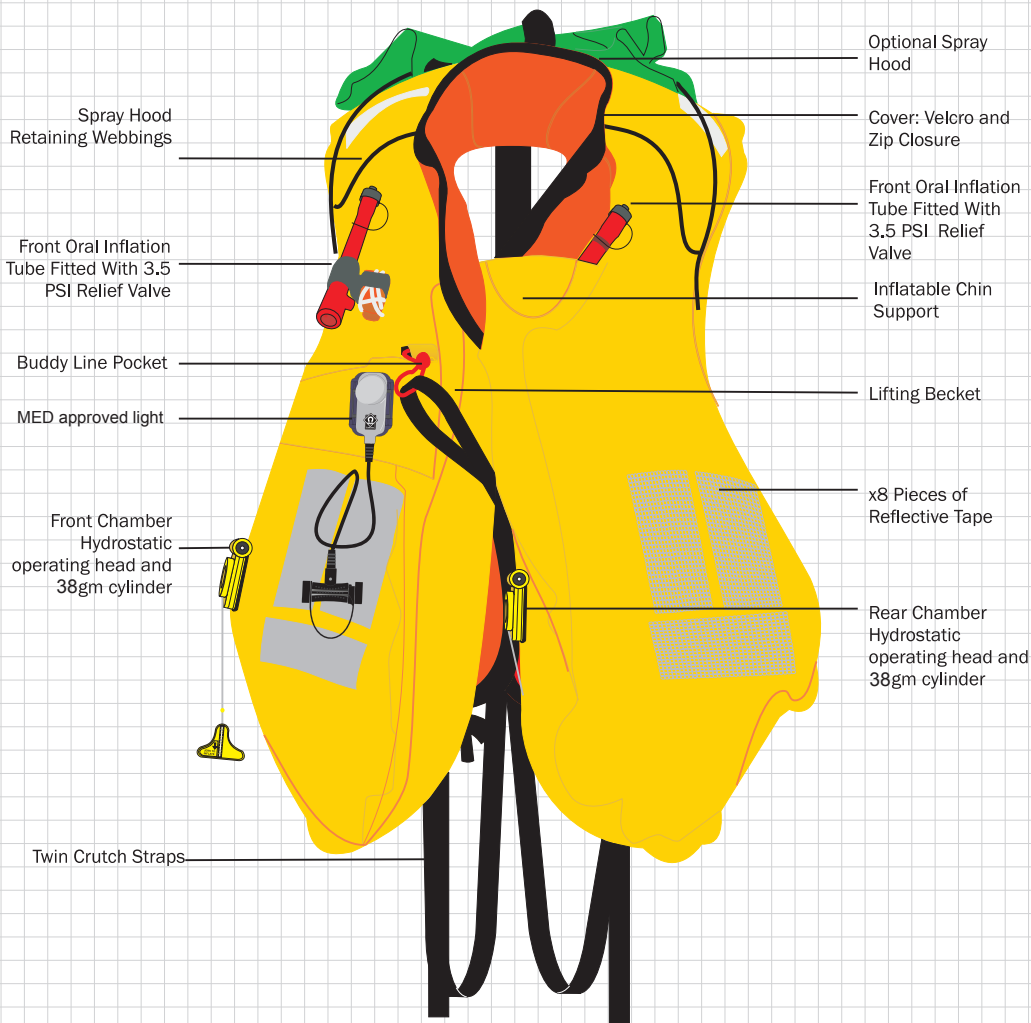

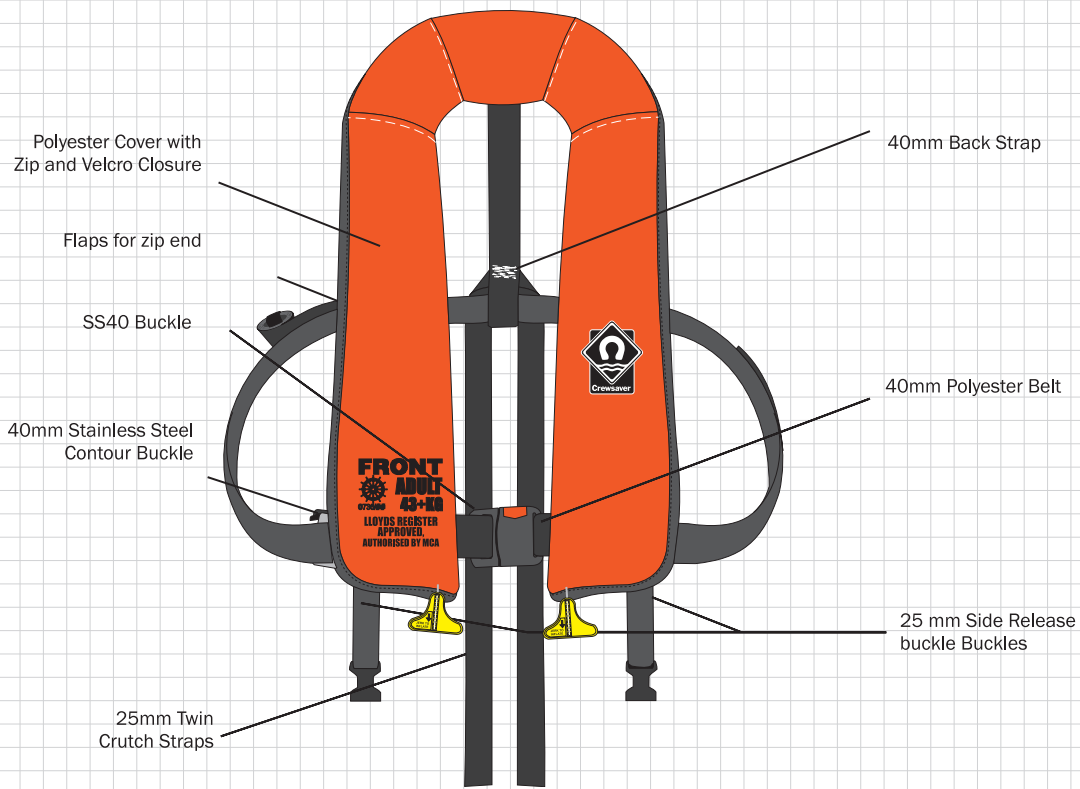

The 150N CREWFIT TWIN CHAMBER 2010 is both easy to don and comfortable. With a new more compact cover, this universal adult size lifejacket is suitable for persons from a minimum weight of 43kg and will fit a chest size of up to 1750mm. Each chamber is fitted with 2 38g CO2 cylinders and 3.5 psi relief valve ensuring full buoyancy is achieved during single or double chamber inflation.

The cover is available as standard in durable PU coated polyester, it is also available with a heavy duty coated PVC or fire resistant cover. Supplied with x2 Hammar automatic firing mechanisms, crutch straps fitted as standard.

FEATURES

- Twin chamber 150N MSC 200 (80)/ SOLAS approved lifejacket
- Approved by Lloyd Register (LR)
- Uses 2 x 38g cylinders on symmetrical inflation chambers with Hammar automatic firing mechanisms
- Fall Arrest Harness, Deck Harness, Fire Resistant & Heavy Duty options available
