## Details

### FALCON 275N TWIN CHAMBER LIFEJACKET

Approved to SOLAS MED Ship's Wheel the Kru Falcon 275N - 2010 is manufactured under an accredited BVQI ISO 9001 quality system.

A heavy duty high buoyancy lifejacket especially suited to hazardous working conditions where heavy workwear or a work belt and equipment maybe used. The Kru Falcon 275N - 2010 Twin Chamber lifejacket offers a high degree of comfort and durability .

This high performance jacket provides 350N of buoyancy from both or either chamber. This is controlled via inbuilt pressure relief valves providing the maximum in performance and safety.

Self Righting capabilities and a fast inflation are assured with the use of 2 x 60 gram Co2 cylinders.

## Features

- Buoyancy; 350N
- Light Zip closure
- Cylinders; 2 x 60 gram Co2
- Fully adjustable waistbelt
- Buddy line
- Crotch strap
- Harness
- Light
- Sprayhood
- Whistle
- Retro reflective tape
- Closures; 316 marine grade anti sparking stainless steel
- No adhesives in construction
- 2 x lifting beackets
- Weight; 1.9kg
- Approved service network
- Made in the UK
- 5 year guarantee

## Additional design options (minimum order quantity required)

- Fall arrest version available
